TRANSFORMING LIVES FOR THE BETTER... ...Through The Arts!

Collierville Arts Academy (CAA) has built a solid reputation for excellence in dance instruction!

From your child's first class to their graduation performance, CAA has a class for everyone. We specialize in beginners of all ages and offer training through professional levels. Our classes are taught by skilled teachers in positive classrooms. Our dance floor features professional construction, a floating subfloor, and performance-grade dance surface. Our costumes and choreography are always age-appropriate. We delight in your child's progress and performances!

But CAA is more than just great dancing!

Our dancers go beyond technique and poise to develop important life skills - learning to be respectful, confident, and conscientious young people.

Additionally, CAA offers the largest selection of classes in the region - including specialty classes for preschoolers, homeschoolers, older beginners, teens, and 'boy's only' classes. With over 75 classes offered per week, you are sure to find a class to fit your child's interest and your busy schedule. You'll appreciate how our brand new facility is designed to be family-friendly and conveniently located close to shopping.

Dance is a performing art! Our students perform in parades, festivals, and charity events in addition to The Nutcracker and our Student Showcase which attract over 3,000 people each year!
